6 WESTERN DISTRICT OF WASHINGTON
7 AT SEATTLE

8 SCOTT CARLSON et al.,

9 Plaintiffs,

10 v.

11 CITY OF REDMOND et al.,

12 Defendants.

CASE NO. 2:22-cv-01739

ORDER

13
14 The Court, having reviewed the parties' motions for summary judgment,
15 raises this matter on its own accord. To promote judicial efficiency and relieve stress
16 on the parties, the Court STRIKES the remaining deadlines and trial date. *See* Dkt.
17 No. 56. Because trial will not proceed as scheduled, the Court TERMINATES
18 Plaintiffs' *Daubert* motion, Dkt. No. 123, and the parties' Motions in Limine, Dkt.
19 Nos. 143, 144. The Court may reactivate these motions and set a new trial date and
20 related deadlines upon resolution of the summary judgment motions, Dkt. Nos. 86,
21 97.

22 The Court DENIES as moot Plaintiffs' Motion to Extend Length of Trial, Dkt.
23 No. 141.

1 Dated this 17th day of July, 2025.
